Work Experience

PATRICKALVAREZ.COM (2016 - Present)

Website design, development and maintenance for coaches and other solo entrepreneurs. Helped coaches get online by planning, designing & developing sales-optimized websites.

Web Projects: *ingehol.nl, inspirente.com, thetranslationpros.com, coachingwithdoug.com + more*

Freelance Web Designer & Owner

- Worked with international clients - Netherlands, UK&Ireland, France, Malta + Spain - to scope their project needs.
- Built, designed, and maintained custom websites
- Provided full wrap around support with SLA, including site optimisation, expansion, security and integrations

Key achievements:

- 100% client satisfaction with website projects provided.
- x4 clients and 143% increase in calls within 6 months of launch - Inge Hol Coaching.
- Built "Test Your Resilience" that was then sold to Australian Council for Educational Research.
- 140% traffic increase within 6 months - Translation Pros

TECS - THE EDUCATIONAL CONSORTIUM OF SPAIN (2012 - Present)

TECS is a language company that helps students of all ages improve their English through their academies, residential summer schools, programmes for schools and programmes abroad. Renowned for pioneering the first 100% Total English programmes in Spain.

Web Projects: *eccollege.es, tecs.es, tecsemployment.com*

Director, 2020 - Present

- Promoted to director in 2020 to oversee the entire project.

Assistant Director, 2012 - 2020

- Responsible for the recruitment, onboarding and training of up to 150 staff each year.
- Oversaw the individual camp directors, coordinators and staff to ensure a consistent excellent quality.
- Responsible for all logistics needed for running camps all over Spain and UK (Venues, transport, materials, catering, etc.)

Key achievements:

- 300% increase in applicants in 1st year due to recruitment website design.
- 60% reduction in recruitment team size needs due to process redesign and 3rd party app integration.
- 10,000+ highly satisfied students and parents - Average feedback 4.35/5.

ROCCO GROUP (2019 – 2020)

The ROCCO group is a consultancy business for the Telecoms sector, working with some of the largest companies such as Vodafone, O2, T-Mobile and their vendors.

Web Projects: *rocco.group, roccostrategy.com, roccoresearch.com, roccoeducation.com*

Website developer & Designer

- Significantly increased sales due to developing e-commerce aspect of website.
- Played a role in the expansion of the ROCCO group into education and strategy.
- Created the websites for the ROCCO U and ROCCO Strategy businesses.
